

19TH DEMSEE CONGRESS

DEREGULATED ELECTRICITY MARKET ISSUES IN SOUTH-EASTERN EUROPE

A forum-style edition of DEMSEE dedicated to invited lectures, expert discussions and regional cooperation

21-22 June 2027

Grand Auditorium "Kastellakis"

Heraklion Chamber of Commerce and Industry
Heraklion, Crete, Greece

A REGIONAL FORUM FOR POWER SYSTEM PROFESSIONALS

DEMSEE brings together experts, professionals, and researchers to share operational experience, present new work, and develop cooperation across the rapidly changing electricity sector in South-Eastern Europe.

The congress connects transmission and distribution system operators, regional coordination centres, universities, research institutions, technology providers, market participants, and other energy professionals from the region and beyond.

KEY TOPICS

- Power System Operation and Control Centres
- TSO, DSO, and RCC coordination
- Power System Resilience and Blackout Prevention
- Digital Transformation in Power Systems: Digital Twins, AI, and Edge Computing
- System Restoration
- Renewable Energy Integration and Grid Flexibility
- SCADA/EMS and Advanced Control Centre Applications
- Remedial Actions and Operational Security
- Energy Storage and Flexible Resources
- Case Studies and Regional Energy Projects in South-Eastern Europe (SEE)
- Electricity Markets and Regional Energy Cooperation

PROGRAMME FORMAT

- Keynote lectures and invited contributions
- Technical presentations and selected papers
- Regional case studies and project results
- Expert panel with representatives of system operators, industry, and research

SPECIAL FOCUS FOR 2027

The 2027 edition will place particular emphasis on the evolving role of operators in modern control centres, including decision support, TSO-DSO-RCC coordination, automation, system resilience, and human expertise.

INTEREST IN CONTRIBUTING TO THE PROGRAMME

Individuals and organisations interested in participating in DEMSEE 2027 as speakers, authors, panellists, or institutional representatives are invited to express their interest.

Please include:

- your name and organisation;
- the intended form of participation; and
- a brief indication of the proposed topic.

Early expression of interest: 15 April 2027

Please send the information to info@demsee.org.

PARTICIPATION AND REGISTRATION

Participation is free of charge. Participants are kindly requested to register in advance by email at info@demsee.org.

On-site check-in: 21 June 2027

CONTACT INFORMATION

All official updates and the latest information are available at www.demsee.org.

For correspondence regarding participation, programme contributions, and the panel session, please write to info@demsee.org.
